e) I'll tell you about my friend Maxim. We have been friends with him for many years, so we have some similarities, but we are also different. We both live in St.Petersburg, but i live with my sister and he lives with his mom. I go to parties more often than he does, but i wouldn't say he doesn't like them. I think we're both not shy, but he's more extroverted than me.

Family member.

I'll tell you about my sister Katya. She has straight hair. She is slightly above average height, weighs about 65 kilos. She is very clever and hard-working. She can be both serious and funny at the same time. During the day she is very calm and relaxed, but later in the evening she gains enthusiasm and becomes very talkative.
