

1. Hi, My name`s Dmitrii and everyone calls me Dima. I am 19 years old. I am from Russia and live in St.Petersburg.
2. I`m going to tell you about myself. I`m at the university. I am studying software engineering and I like almost everything. I live with my sister in her flat. I have a dog and a cat, their names are Monica and Shari.
3. I have light brown hair, but for several years my hair has been dyed light. All my friends always say that I have a big nose, so I think they`re right.
4. I am definitely a positive person. I am the soul of all my companies. My friends and family say that I am very funny and sincere person. Apathy often covers me, but the people who surround me know how to remove it.
5. I have some free time. When I can, I like to see my friends, play basketball, go to beatiful places and actively relax.
